

36 KEY HANDHELD KEYBOARDS

KBM36

These 36 keys keyboards enable all major functions of a large MF keyboard in a small outline. Function keys F1 to F16 and complete upper and lower case alphabet are available. Distinct and easy recognition of the different functions due to three different legend colours corresponding with the mode-keys: black for UNSHIFT; red for SHIFT and green for ALPHA mode which is a toggle function indicated by a separate green LED.

Features

- 36 membrane keys with tactile feel, 1,4 mm travel and 4N operating force
- Very robust and stylish ABS housing for the enclosed version
- Front of panel mounting by six M3 mounting studs for panel mount version
- Adequate sealing into the customers panel by the added silicone sponge seal (panel mount version)
- All major functions of a large MF keyboard in a small outline

SPECIFICATIONS

- Sealing : IP65 sealed
- Keys : 36 tactile membrane keys
- Output : 1,6 m. PS/2 or USB cable(s)
- Dimensions panel mount : 85 x 205 x 27,5 mm
- Dimensions enclosed : 105 x 210 x 60 mm
- Weight : 0,1 kg / 0,3 kg

CONNECTIVITY

The PS/2 keyboards are supplied with one 1,6 m long shielded straight cable ended with a PS/2 type A plug. The USB versions are supplied with one 1,6m long shielded straight cable ended by a USB type A connector.

Use the US-keyboard driver standardly available in your operating system.

** Due to the increasing differences of PS/2 mouse port specifications of the various PC manufacturers, we do recommend that this unit should be tested on the final PC configuration and operating system prior to installing it in series.*

26 KEY HANDHELD KEYBOARDS WITH OPTICAL TRACKBALL

KBMT26

These 26 key handheld membrane keyboards have an integrated 38mm laser optical trackball. The ball is removable, the trackball optical lenses are accessible from the front and can easily be cleaned without dismantling the complete unit. The keyboards are IP65 sealed and mounted in a very stylish and robust ABS housing. They have numeric and function keys; the control keys are available via "Fn" key mapping. Ideal for applications requiring only a limited number of key functions with fast and comfortable key access and a precise cursor control.

Features

- 26 membrane keys with tactile feel, 1,4 mm travel and 4N operating force
- Integrated 38 mm laser optical trackball with removable ball
- Very robust and stylish ABS housing for the enclosed version
- Front of panel mounting by six M3 mounting studs for panel mount version
- Adequate sealing into the customers panel by the added silicone sponge seal (panel mount version)

SPECIFICATIONS

26 KEY HANDHELD KEYBOARDS WITH "THUMBSTICK"

KBTS26

These 26 key handheld membrane keyboards have an integrated Hall effect joystick which we call a "thumbstick" (this name describes better its functionality). The keyboards are sealed IP65 and housed in a very stylish and robust ABS housing. They have numeric and function keys; the control keys are available via "Fn" key mapping.

Ideal for applications requiring only a limited number of key functions with fast and comfortable key access and a precise, thumb operated joystick which acts as a cursor controller.

Features

- 26 membrane keys with tactile feel, 1,4 mm travel and 4N operating force
- Integrated Hall effect joystick (acting as cursor controller)
- Very robust and stylish ABS housing for the enclosed version
- Front of panel mounting by six M3 mounting studs for panel mount version
- Adequate sealing into the customers panel by the added silicone sponge seal (panel mount version)

SPECIFICATIONS

- Sealing : Ip65 sealed
- Keys : 26 tactile membrane keys
- Pointing Device : Hall effect thumbstick
- Output : 1,6 m. PS/2 or USB cable(s)
- Dimensions panel mount : 85 x 205 x 34 mm
- Dimensions enclosed : 105 x 210 x 60 mm
- Weight : 0,2 kg / 0,4 kg

CONNECTIVITY

The PS/2 keyboards are supplied with one 1,6 m long shielded splitted cable ended by two PS/2 plugs. The USB versions are supplied with one 1,6m long shielded straight cable ended by a USB type A plug.

Use the drivers standardly available in your operating system.
